RECOMMANDATIONS AUX AUTEURS

Malimbus publishes papers, short notes, reviews, letters and illustrative material. Contributions should be typed on one side of the paper with double spacing and wide margins. Wherever possible papers first should have been submitted to at least one ornithologist or biologist for critical scrutiny.

Textual matter will be retyped for offset printing, but FIGURES should be prepared as for final reproduction, allowing for 20% reduction, using Indian ink on good quality white paper, and Letraset and Letratone lettering and shading (or equivalent) as appropriate.

CONVENTIONS regarding tabular material, numbers, metric values references etc. should be carefully adhered to and can be sought in this and other issues. Articles containing lengthy SPECIES-LISTS should be tabular format (eg Malimbus 1:22-28 or 1: 49-54) or of the textual format of Malimbus 1: 36-42 for short texts per species or Malimbus 1:90-109 for longer texts.

From Vol. 9 (1987) onwards all references must be entered into the bibliography of each Paper or Short Note.

OFFPRINTS 20 offprints of Papers (but not of Notes) will be sent to a single author, gratis, upon request. 10 additional offprints will be issued in respect of a second and a third author of a paper, but they will be photocopies. Offprints will not be stapled, bound or covered; they are merely cut from copies of the journal.
