EDITORIAL NOTICES

THE BULLETIN. To mark the closing of its thrid year of successful publication, your BULLETIN has acquired a New Look. Enquiries have been made about the possibility of printing this journal, but the cost would be prohibitively high, unless a substantial grant were received, and the Bulletin would lose one of its best features - speed of publication. But the new cover depicting a Crowned Crane and a new format, goes some of the way to giving the Bulletin an air of more permanence and substance. The cover was printed by a photolithographic process, by Messrs. Baraka Press Ltd., Kaduna.

The stencils for pages 93 and 95 were cut on a Gestofax scanner, through the courtesy of the Audio-Visual Aids Department, A.B.U.; the cost is only a few shillings a stencil, and the process allows detailed drawings to be duplicated. Authors can now submit figures which will be faithfully duplicated in this journal without the limitations that previously existed.

The New Look should perhaps have appeared with the first issue of Vol. 4, but the supply of covers for the present issue having been exhausted, the new cover was adopted immediately.

SUBSCRIPTIONS. I will be saved a great deal of unnecessary work if members would kindly remit their 1967 subscription of 15/-, now due, to me immediately. Payment should be made by Postal Order or Cheque, endorsed "Commission to drawer's account", in favour of the Nigerian Ornithologists' Society. C.H. Fry,
Treasurer.

RINGING RETURNS. Will ringers kindly send their 1966 returns to R.E. Sharland as soon as possible.
