TREASURER'S REPORT.

Most of the members of the Society raised their subscriptions to one guinea, and, as can be seen from the above account, the contribution of £25 to Bob Dowsett's "residence" at Malam'fatori has all but been recovered.

The Ahmadu Bello University, Zaria, subsidised the Bulletin in part. We now have to pay all the cost ourselves which has resulted in an increase in printing costs etc.

I shall be grateful if members can contribute one guinea instead of 15/- subscription, and send it as soon as possible in 1969.
